How to Enrol

Enrolling your child in a Catholic school in the Townsville Diocese is a simple process and each school is largely responsible for its own enrolment procedures.

Our schools welcome students from all cultures and backgrounds who want to support our values. However, preference is given to students of Catholic families.

Parents should contact the school in which they wish to enrol for particular details of enrolment policies.

Parents are urged to contact the school as early as possible to arrange an interview with the principal. Documentation such as a birth certificate, baptism certificate and immunization records may be required.

Secondary schools may require academic records from the previous school. However, parents are urged to contact the school if they have any questions about the enrolment procedure.
